2. Enter your full name, email address and a password then click sign up for Twitter.

3. You may have to verify your email address – check your inbox to see if you’ve received an email from Twitter.

4. You then have to select a username. Twitter usernames are also known as Twitter handles and will be what people use to send you tweets and mentions. It must be fewer than 15 characters.

5. Click Create my account.

Once you’ve created your account, you can choose your cover image and your profile picture.

The Twitter help pages are very useful and can be found here: https://support.twitter.com/
